1. Introduction

This user manual provides step-by-step instructions for using the HR Applicant Processing System. The system is a Windows Forms desktop application that supports applicant self-service and HR recruitment management.

The application allows applicants to register, apply for jobs, upload documents, and monitor their application status. HR personnel can review applications, conduct screening, schedule interviews, evaluate applicants, and make hiring decisions.

1.1 System Overview

The HR Applicant Processing System allows:

- Applicants to register, log in, create profiles, apply for jobs, upload documents, and track application status.
- HR Staff to review applications, validate documents, conduct screening, schedule interviews, and evaluate applicants.
- HR Managers and Administrators to manage job vacancies, make final hiring decisions, manage system data, and generate reports.

1.2 User Roles

Roles	Description
Applicant	Registers and applies for job positions.
HR Staff	Reviews applications, validates documents, conducts screening, and schedules interviews.
HR Manager	Makes final hiring decisions and manages recruitment activities.
Admin	Full access to all system functions and maintenance modules.

2. Applicant Sides

This section describes all screens and features available to applicants.

2.1 Login Screen

Form1

Applicant Login

Email: kero@email.com

Password: *****

Login

[HR personnel? Click Here](#)

[Register an Account](#) [Forgot Password](#)

The Login Screen allows registered applicants to access their accounts.

Step	Action	Expected Result
1	Open the application.	Login screen appears.
2	Enter registered email address.	Email field is filled.
3	Enter password.	The password is hidden.
4	Click Login.	Applicant Dashboard opens.
5	Invalid credentials entered.	Error message appears.

2.2 Registration Screen

The screenshot shows a Windows-style window titled "Form1" with a registration form. The form has a title "New Applicant Registration" and five input fields: "First Name" (Dennis), "Last Name" (Vierneza), "Email" (dennis@gmail.com), "Password" (masked with dots), and "Confirm Password" (masked with dots). At the bottom are two buttons: "Confirm Registration" and "Clear".

New applicants must register before using the system.

Step	Action	Expected Result
1	Click Register.	Registration form opens.
2	Enter applicant information.	Fields are completed.
3	Enter email and password.	Credentials are entered.
4	Click Register.	The account was created successfully.
5	Click OK.	Login screen appears.

Note: Duplicate email addresses are not allowed.

2.3 Applicant Dashboard

The Applicant Dashboard displays application information and recent updates.

Step	Action	Expected Result
1	Log in as an applicant.	Dashboard opens.
2	View application status.	Current application status displayed.
3	View missing requirements.	Missing documents displayed.
4	View interview schedule.	Schedule appears if available.
5	Select a menu option.	The corresponding page opens.

2.4 My Profile

The screenshot shows a window titled "ApplicantProfileForm" with standard Windows window controls (minimize, maximize, close). The form is titled "Applicant Profile Form" and contains several text input fields with labels to their left. The fields are filled with the following data: First Name: Ralph, Last Name: Ganda, Contact Number: 09123456789, Address: San Pedro, Laguna, Education: PUP, Skills: Coding, and Work Experience: N/A. At the bottom of the form are two buttons: "Clear" and "Save".

Field	Value
First Name	Ralph
Last Name	Ganda
Contact Number	09123456789
Address	San Pedro, Laguna
Education	PUP
Skills	Coding
Work Experience	N/A

Applicants can enter and update personal information.

Step	Action	Expected Result
1	Open My Profile.	Profile page opens.
2	Enter personal information.	Data entered successfully.
3	Enter address and contact details.	Fields completed.
4	Enter educational background.	Information saved.
5	Click Save Profile.	Profile updated successfully.

2.5 Job Vacancies

Displays all available job openings.

Step	Action	Expected Result
1	Open Job Vacancies.	Job listings displayed.
2	Search for a position.	Matching jobs displayed.
3	Select a vacancy.	Job details displayed.
4	Click Apply.	Application created.
5	Attempt duplicate application.	The system blocks duplicate applications.

2.6 My Applications / Status

1	Open Screening Module.	Applicant list displayed.
2	Select applicant.	Applicant selected.
3	Add screening remarks.	Remarks saved.
4	Mark Qualified.	Status becomes Shortlisted.
5	Mark Not Qualified.	Status becomes Rejected.

3.7 Interview Management

The screenshot shows the 'Interview Management' application window. At the top, there are four colored boxes representing summary statistics: 'Total Interviews' (1), 'Scheduled' (0), 'Passed' (1), and 'Failed' (0). Below these is a search bar labeled 'Search Applicant:' with a 'Search' button. The main area contains a table with columns: ScheduleID, ApplicantName, InterviewDate, Interviewer, Mode, Location, and Status. The first row shows a scheduled interview for 'Nick Jackstone' on '16/06/2026 7:35...' by interviewer '1' in 'Online' mode at 'Zoom Meeting' with a status of 'Passed'. Below the table is a large grey rectangular area. At the bottom, there are buttons for 'Schedule Interview', 'Mark Passed', 'Mark Failed', 'Edit', 'Delete', and 'Back'.

Used to schedule applicant interviews.

Step	Action	Expected Result
1	Select shortlisted applicants.	Applicant displayed.
2	Choose date and time.	Schedule entered.
3	Select interview mode.	Mode selected.
4	Enter location or meeting link.	Information saved.
5	Click Schedule Interview.	Status changes to For Interview.

Records interview results and recommendations.

Step	Action	Expected Result
1	Select interview record.	Record displayed.
2	Enter score.	Score recorded.
3	Select result.	Pass/Fail selected.
4	Enter remarks.	Remarks saved.
5	Save evaluation.	Evaluation completed.

3.9 Hiring Decision

Final Hiring Decision

Access Restricted: Only HR Manager or Admin can make final hiring decisions.

Applicant: kero inacab
Job Applied: IT Staff
Current Status: Shortlisted

Decision: Hired

Remarks:

Confirm Decision Cancel

Accessible only to HR Managers and Administrators.

Step	Action	Expected Result
1	Select applicant.	Applicant displayed.
2	Review evaluation results.	Information displayed.
3	Enter final remarks.	Remarks saved.
4	Click Accept Applicant.	Status changes to Accepted.
5	Click Reject Applicant.	Status changes to Rejected.
6	Click Put on Hold.	Status remains pending.

3.10 Reports

Generates recruitment reports.

Step	Action	Expected Result
1	Open Reports Module.	Reports page opens.
2	Select report type.	Report selected.
3	Generate report.	Data displayed.
4	Export report.	File saved successfully.

Available Reports:

- All Applicants
- Pending Applications
- Accepted Applicants
- Rejected Applicants
- Interview Schedules
- Missing Requirements

4. Applicant Status References

The Application Status Reference provides a guide to each status an applicant may receive during the hiring process.

Status	Meaning
Draft	Application created but not submitted
Submitted	Application submitted to HR.
Under Review	HR is reviewing applications.
Shortlisted	Applicants passed screening.
For Interview	Interview scheduled.
For Assessment	Assessment required.
For Final Review	Waiting for the final decision.
Accepted	Applicant hired.
Rejected	Applicant not selected.
Withdraw	Application withdrawn.

5. Troubleshooting

Problem	Solution
Cannot log in	Verify email and password.
Duplicate email error	Use a different email address.
Unable to apply for job	Ensure job vacancy is open.
Cannot edit application	Application is already under review.
Missing documents remain visible	Upload required files correctly.
Access denied	Verify user role permissions.

6. System Requirements

- Windows 10 or Windows 11
- .NET Framework 4.7.2 or later
- MySQL Server 8.0 or later
- Minimum 200 MB free storage
- 4 GB RAM recommended
